# GET \$50 FOR RECYCLING APPLIANCES

Did you know that an old refrigerator can cost nearly \$300 in annual energy costs?\* Recycle yours to start saving right away, and save through reduced energy use for years to come.

## IT PAYS TO RECYCLE

- **Get \$50 each** for up to two working refrigerators or freezers 10 to 30 cubic feet in size
- **Get an extra \$25 each** for up to two working room air conditioners or dehumidifiers

Appliances must be owned by you. Room air conditioners or dehumidifiers are picked up only at the same time as a refrigerator or freezer.
