# Get \$50 for Recycling

**An old refrigerator or freezer can be a home's biggest energy waster.** In fact, an older refrigerator could be costing you more than \$100 every year.\* We can help you recycle old appliances.

- **Get \$50** for recycling a working refrigerator or freezer and
- **Receive an additional \$25** for recycling a working room air conditioner or dehumidifier at the same time
- **No cost** for pickup and disposal
