Take Control of Your Costs and Stay Comfortable

The power to save energy and money is at your fingertips! When you go online to update your **Home Profile**, you'll be able to see specific details about how your home uses energy. Then you can make changes to start saving inside—no matter what the weather does outside.

Savings in Just Three Steps

1. Log in at pepco.com/MyAccount.
2. Click the **My Profile tab** and choose **My Home Profile**.
3. Answer 5 quick questions.

Want to get alerts when your usage is higher than normal or reminders to pay your bill? That's easy, too! Click the **My Alerts & Notifications** tab and check out all of your options.
