

A young girl with dark hair is looking through a hole in a white, patterned curtain. She is holding a flashlight in her right hand, which is illuminated. The background is a light-colored wall with a decorative pattern. The overall scene suggests a child exploring or searching for something hidden.

Get a Quick Home Energy Check-up

While you're at home, you may be thinking more about your energy costs. Our **no-cost Quick Home Energy Check-up Program** can teach you specific ways to save.

Here's How It Works

During your appointment, you'll speak with an Energy Analyst, who will:

- **Evaluate the efficiency** of your heating and cooling systems, windows, doors, and more
- **Provide you with a report** listing energy efficiency recommendations
- **Install energy-saving products at no cost**, like ENERGY STAR® certified LED bulbs and more

Virtual appointments are also available so you can choose what feels right for you.

Learn more at pepco.com/QuickHome or call **1-866-353-5798**.

Limit one virtual or in-person check-up per Pepco account number. Offer valid for Pepco residential customers in Maryland only. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to pepco.com/SaveEnergy.
