

WINTER RATES RETURN FOR PEPCO DISTRICT OF COLUMBIA CUSTOMERS

Pepco's Standard Offer Service (SOS) supply rates for District of Columbia residential customers will change to winter rates effective November 1, 2020. If you have not chosen a competitive supplier, you are on SOS supply rates and Pepco buys electricity for you. The cost of supply rates is shown in the "Generation Services" and "Transmission Services" sections of your bill.

The new rates are based on market prices obtained through a competitive bidding process overseen by the Public Service Commission of the District of Columbia. Pepco, as with many other utilities, charges different rates for electricity use in the winter (November–May) and in the summer (June–October).

To learn more about supply rates, visit pepco.com/dctariffs or call 202-833-7500 between 7 a.m. and 8 p.m., Monday through Friday. To help you evaluate offers if you choose to shop for a competitive supplier, your bill contains the "price to compare" listed under the Supply Charges section of your bill.

Please see the supply rates for residential customers that take effect on November 1, 2020 on the reverse side.

An Exelon Company

* Residential customers will receive a \$1.37 credit on their bills and Master Meter Apartment customers will receive a \$0.17 credit on their bills starting 8/13/2018 through the Exelon Customer Base Rate Credit (CBRC), a benefit from Pepco's merger with Exelon. The CBRC will terminate when its funding balance is exhausted.

** Minimum charge includes (1) the first 30 kWh or fraction thereof of consumption, and (2) administrative charge.

*** The administrative charge must be added to the generation rates stated above.
