PHI COMMUNITY FOUNDATION

13TH ANNUAL PEPCO
GOLF & TENNIS CLASSIC

MONDAY, SEPTEMBER 10, 2018 | THE COUNTRY CLUB AT WOODMORE | MITCHELLEVILLE, MARYLAND
WE ALL HAVE THE POWER TO MAKE A DIFFERENCE

Whether we are providing essential resources or volunteering our time, supporting the communities we serve is a vital part of our everyday work.

We are proud to support the PHI Community Foundation’s 13th Annual Pepco Golf and Tennis Classic and all those who come together to make a difference in the communities we serve.
We are honored to celebrate the 13th annual PHI Community Foundation Pepco Golf & Tennis Classic with you. With so many returning sponsors, it underscores a key element that I am very grateful for, which is your commitment and recognition of the importance of community support and service. This annual tournament facilitates our ability to collectively make a difference by ensuring that important utility services are not interrupted due to challenges that are beyond the control of many residents.

Your compassion and generosity complement our determination to be fully responsive to the interests of the communities we serve. Those of us who work at Pepco Holdings and Exelon continue to advance programs and initiatives involving system reliability, resiliency, grid modernization and customer care enhancements. This focus maximizes our ability to extend 21st century clean energy options, electric vehicle infrastructure, and distributed energy resource alternatives to address the changing energy needs, expectations and interests of our valued customers throughout the Washington metropolitan area. While our immediate efforts involve providing financial assistance to persons in need of support, our long-term goals involve making energy delivery and options more sustainable, our business practices more efficient and responsive, and our delivery of services and energy more innovative to meet the evolving energy interests of our diverse customer base.

Through the generous contributions of business and community partners such as you, we can celebrate reaching nearly $3 million in funds raised by hosting 13 years of successful tournaments. We execute this tournament to support critical non-profit partners that have longstanding community relationships and a history of documented results in providing much-needed assistance to some of our most vulnerable community members. I want to personally thank these outstanding organizations for continuing to partner with the PHI Community Foundation to distribute these financial resources within our jurisdictions. They are: The Greater Washington Urban League (District of Columbia), Interfaith Works (Montgomery County), and Mary’s Center (Prince George’s County).

In closing, all of this has been made possible because of each of you. Your continued commitment of time and resources to this special event is immensely appreciated and recognized. We are extremely humbled by your support. Your partnership and encouragement reiterate for me the obligation that we each have in making certain that our communities are vibrant and thrive socially and economically. Each year, my experience deepens as I get to know you better through the various sporting activities, and the many conversations that we have on the golf course, tennis courts and celebrations at the clubhouse.

This souvenir journal is published weeks before our event date, so I hope your reading of these pages follows a memorable day on the greens of The Country Club at Woodmore, whether playing golf or tennis. We continue to look forward to our continued partnership which truly makes a difference in the lives of families. I respectfully look forward to seeing many of you again next year and wish you the best.

With deep gratitude,

Donna M. Cooper
Let’s write the future
by building the transport infrastructure of tomorrow.

ABB’s contribution to the e-mobility revolution goes far beyond technological innovation. By installing, maintaining and managing nationwide charger networks, we enable countries and consumers to make the transition to electric transportation. Together, we are laying the global foundations for a future of reliable, accessible and emission-free mobility. To discover more, visit abb.com
WORKING TOGETHER WORKS FOR EVERYONE

When it comes to helping people live more secure lives, Cigna is with you all the way. So we’re proud to sponsor the PHI Community Foundation 13th Annual Pepco Golf & Tennis Classic and its efforts to support local families and their children. Together, we’re making our world a stronger, healthier place to live.

Keeping you connected since 1944

Richards Manufacturing Company has been a trusted supplier of electrical and natural gas distribution products since 1944. Our philosophy has remained the same to this day—we demand excellence in every product we design, test and manufacture. We are dedicated to providing outstanding customer support to satisfy every inquiry, no matter how small.

**Connectors:** Hot-Line Clamps, Vise Connectors, Compression Terminals and Splices, Pole-Line Hardware, and more.

**Medium Voltage:** Cable accessories through 35kV including cold shrinkable solutions. Deadbreak Elbows, Straight Splices, Disconnectable Joints, and more.

**Natural Gas:** Meter Swivels, Bars and Accessories.

**Network Products:** Network Protectors, Micro-processor Network Protector Relays (MNPR®), Secondary Network Communication/Monitoring solutions.

Our capabilities also include custom products and designs. For more information about our product lines, visit our website or contact the factory.

Helping Pepco Improve Grid Operations and Engage Customers

Itron is proud to be strategic partner for Pepco Holdings. Our advanced networking products and services are building a network that will help Pepco better serve its 1.9 million customers, while also reducing operating costs and improving efficiency as well as enhancing reliability and resiliency.

Since 2009, we’ve also helped Pepco deploy Energy Wise Rewards, one of the largest demand response programs in the country that provides tremendous operational value to Pepco. The program also provides participants with mobile tools that help them conveniently reduce household energy consumption.

Itron is honored to be a part of the PHI Community Foundation.

Delivering Safe, Productive, Quality Jobs with Pride to Pepco for over 45 Years!

BUILDING YOUR FUTURE WITH OUR QUALITY!

An award winning, creative services firm, we specialize in making you look good. Over 25 years of experience has brought a wealth of knowledge, skills, and expertise in developing creative concepts, production, and project management. We believe in personalized service and developing relationships to understand, envision and create successful, imaginative ideas and solutions.

We are pleased to support the PHI Community Foundation
THANK YOU!

Thanks to your generosity, over $240,000 will be distributed this winter to families in the Greater Washington Metropolitan Region – regardless of whether they heat with electricity or gas – through the following organizations:

**Greater Washington Urban League (GWUL)** provides all age groups in the District of Columbia with housing, education, job placement, parental support, mentoring and many other services through advocacy and direct support.

**Interfaith Works** has as its purpose to help people to reach their goals and lift themselves out of poverty through prevention, stabilization and empowerment services.

**Mary’s Center** provides health care, family literacy and social services to individuals whose needs too often go unmet by the public and private systems. Mary’s Center uses a holistic, multipronged approach to help each participant access individualized services that set them on the path toward good health, stable families and economic independence.

*The PHI Community Foundation appreciates your longstanding support. We look forward to your continued participation next year at our 14TH ANNUAL GOLF & TENNIS CLASSIC The Country Club at Woodmore*
