

A woman with long dark hair, wearing blue-rimmed glasses and a light blue denim shirt, is smiling and looking at her smartphone. She is sitting at a kitchen counter. In the background, there are white kitchen cabinets and a bowl of oranges. The overall scene is bright and domestic.

# FIND EVERYDAY SAVINGS WITH A HOME ENERGY CHECK-UP

# Get an Energy Check-up for Your Home

While you're at home, you may be thinking more about your energy costs. Our **no-cost Home Energy Check-up Program** can teach you specific ways to save.

## Here's How It Works

During your appointment, you'll speak with an Energy Analyst, who will:

- **Evaluate the efficiency** of your heating and cooling systems, windows, doors, and more
- **Provide you with a report** listing energy efficiency recommendations
- **Install energy-saving products at no cost**, like ENERGY STAR® certified LED bulbs and more

Virtual appointments are also available, so you can choose what feels right for you.

Learn more at [pepco.com/QuickHome](https://pepco.com/QuickHome) or call **1-866-353-5798**.

Limit one virtual or in-person check-up per Pepco account number. Offer valid for Pepco residential customers in Maryland only. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to [pepco.com/SaveEnergy](https://pepco.com/SaveEnergy).
