

An Exelon Company

Upstairs is tropical.  
Downstairs is freezing.

**Zoe has a comfortable solution.**

An Exelon Company

Meet Zoe—  
your Good Energy Guide.

## Schedule a Home Energy Assessment and achieve household harmony.

The **Home Performance with ENERGY STAR® Program** takes a whole-house approach to keeping your home at a comfortable temperature year-round while helping you save on energy costs.

**EmPOWER  
MARYLAND**

- Get your Home Energy Assessment, typically **valued at \$400, for only \$100.**
- A Participating Contractor will come to your home and perform diagnostic tests to **assess your home's energy efficiency.**
- **You will get a detailed report** on how to improve your insulation, ventilation, heating and cooling systems, and more.
- If you complete home upgrades, you can get **up to \$7,500\* in rebates.** We also have information on low-interest financing options.

To schedule your assessment or to learn more, visit [pepco.com/performance](https://pepco.com/performance) or call **1-866-353-5798.**

\*Rebate amount is based on energy savings achieved at completion of the home upgrades.

Offer valid for Pepco residential customers in Maryland only. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to [pepco.com/saveenergy](https://pepco.com/saveenergy).
