

ENERGY SAVINGS FOR EARTH DAY AND EVERY DAY

An Exelon Company

Friendlier for Your Finances. Friendlier for the Earth.

We can help you save with **instant discounts** on ENERGY STAR® certified LED bulbs and fixtures at participating retailers or at **Pepco's Marketplace**. When you switch your standard bulbs to LED bulbs, you will save instantly at checkout—then keep saving at home through reduced energy costs. And by using energy-efficient lighting, you are making an environmentally sound choice.

Benefits of LED Bulbs*

- Use up to **90% less energy** and last at least **15 times longer** than standard bulbs
- Help you save **about \$55** in electricity costs over each bulb's lifetime
- Draw less power than traditional lighting so they use less energy, which **reduces demand from power plants** and decreases greenhouse gas emissions

Learn about all the ways Pepco can help you save energy at [pepco.com/EarthDay](https://www.pepco.com/EarthDay).
