APPLIANCE RECYCLING PROGRAM

An old refrigerator can cost nearly \$300 in annual energy costs.* If you have an old, working refrigerator or freezer, we'll help you recycle it and give you a check for \$50 – plus pickup and disposal at no cost.

IT PAYS TO RECYCLE

- \$50 each for up to two working refrigerators or freezers 10 to 30 cubic feet in size
- An extra \$25 each for up to two working room air conditioners or dehumidifiers

All appliances must be owned by you, and room air conditioners and dehumidifiers are picked up only in conjunction with a refrigerator or freezer.** To get your check and improve the energy efficiency of your home, schedule a pickup today.

Visit pepco.com/appliancerecycling to schedule a pickup or call 1-877-743-3117.

**Appliance Recycling Centers of America (ARCA) has been contracted to perform recycling services for Pepco and will coordinate the pickup and recycling of the unit(s). Collection crews will need clear access to the unit(s). A check will be issued to the account holder. Offer applies only to Pepco Maryland residential customers. Other program restrictions may apply.
