# Save with the **HOME PERFORMANCE** with **ENERGY STAR** Program.

**We'll help you find ways to save on monthly energy costs – and give you rebates to make it easier.**

Get a comprehensive assessment of your home's energy use, so you can make changes and start saving right away.

## **Here's how it works**

- Call and schedule your Home Energy Assessment, typically valued at \$400, for **just \$100**
- A specially trained Participating Contractor will evaluate your home's efficiency and identify ways you can save
- Receive a detailed report with recommendations—**plus energy-efficient products installed at no additional cost**
- Take advantage of **up to \$7,500 in rebates** when you complete recommended, energy-saving upgrades with a Participating Contractor\*

## **Save on monthly energy costs with rebates for:**

- Sealing air leaks
- Adding needed insulation
- Buying new, efficient heating or cooling equipment
- Making other recommended upgrades

\*Offer valid for Pepco Maryland residential customers only.  
This program supports the EmPOWER Maryland Energy Efficiency Act.
