RESIDENTIAL CUSTOMER REBATE WITH EXISTING ELECTRIC VEHICLE AND NEWLY INSTALLED LEVEL 2 EVSE

I hereby acknowledge and agree that:

- Pepco is offering a \$50 annual incentive to customers who continue to share their data with Pepco after the purchase and installation by Pepco Maryland residential customers of a qualified Level 2 electric vehicle charging station (also known as EVSE)
- Rebates are limited to one EVSE per Pepco customer of record, purchased after July 1, 2019, and while funds are available
- I will select and install an EVSE from a qualified list provided by Pepco on **pepco.com**
- Rebate amounts and eligible EVSEs are subject to change at any time
- To be qualified for the rebate, I must complete the application and meet all requirements set forth in the application and program materials found at **pepco.com**
- My installed EVSE must be new and I must demonstrate having paid the applicable Maryland sales and use tax
- The installation of my EVSE has complied with all federal, state, and local code requirements
- I am a Pepco residential “customer of record” living at the address noted on my rebate application
- My EVSE is installed on property that I own, or if I am a renter, I provided the property owner’s written approval to install the EVSE during the application process
- If homeowners association approval was required for the installation of the EVSE, I provided appropriate approval documentation to Pepco during the application process
- I own or lease a Maryland-registered electric vehicle with an electrical range greater than 30 miles
- This signed Customer Participation Agreement must be emailed to **plugin@pepco.com**
- I will allow Pepco to have full access to my EVSE charging data through Pepco’s approved third-party provider and understand that Pepco and/or its designee will independently confirm this data access prior to the annual incentive being issued
- The program will terminate on December 31, 2023, unless the Maryland Public Service Commission directs Pepco to extend the program

By signing this, I have agreed to the above and to the Terms and Conditions on the next page.
