

Property Rebate Reassignment Form

Addendum for Incentive Payment to Third-Party EV Charger Installation Service Vendor(s) for EVsmart Rebate Program

As the property manager/owner, please submit this form to issue your EVsmart Charger Rebate to your EV charger vendor, installing contractor or other applicable third party if **all** the following criteria pertain to your situation:

- You are the property manager/owner for the address in the property information section below.
- You are the Pepco account holder or assigned signatory for the address in the property information section below.
- Your property received an upfront discount for EV installation services from the third party(ies) detailed in the installation services vendor information below.

Third-Party Vendor(s)

As a listed third-party vendor, I certify that I issued an upfront discount for EV charger installation services rendered at the address in the property information section below.

VENDOR #1 INFORMATION (to be used on the rebate check):			
Name:		Phone Number:	
Address:	City:	State:	ZIP:
Vendor Type (check one): <input type="checkbox"/> EV Charger Provider <input type="checkbox"/> Installing Electrician Other (please specify): _____			
Total Vendor Cost:		Requested Incentive Amount:	
Signature		Date	

VENDOR #2 INFORMATION (to be used on the rebate check):			
Name:		Phone Number:	
Address:	City:	State:	ZIP:
Vendor Type (check one): <input type="checkbox"/> EV Charger Provider <input type="checkbox"/> Installing Electrician Other (please specify): _____			
Total Vendor Cost:		Requested Incentive Amount:	
Signature		Date	

My signature below as the manager/owner at this property authorizes Pepco to issue the incentive payment to the third-party EV service vendor(s) (as noted above) for the installation of the qualifying EVsmart charger(s) at the address below.
